

Fire safety laws are changing! Are YOU ready for the changes?

In March 2010 the Government will enforce the Regulatory Reform (FireSafety) Order ... are YOU ready for the changes ?

The act will place the responsibility for "Fire Safety" on the employer or "Responsible Person" for that building or premises.

This person will be required to assess the risks of Fire and take steps to reduce or remove them.

Furthermore, he/she will be responsible to ensure that Fire Safety Policy is in place and up to date.

That Staff Training is current and that Fire Evacuation drills take place.

Fire Certificates will be abolished and will cease to have legal status.

Is your Fire precautions in place?
